

Abdulahman Zaghloul

Cairo,Egypt|01142631113|Gamil|linkedin|github

Objective

I am seeking a competitive and challenging environment where I can serve your organization and establish a career for myself and use my experience and education to help the company meet and surpass its goals.

Projects

Medical centers (Reactjs)

website is now live and ready for action! Excited to share my latest project
Cosmetic products, clinics and medical centers Distinguished in the Kingdom of
Saudi Arabia

Live Demo : <https://krz.sa/>

E- commerce (Reactjs)

e-commerce website using React Js and tailwind css and jsx and context displays
products from the database, and the site starts with you from the first authentication to
then displaying all products, booking products, purchasing products, and then reaching
online payment.

Live Demo : <https://abdulahmanahmedzaghloul.github.io/cart-E-Commerce>

Portfolio Website

is a living and changing collection of records that reflect your accomplishments, skills,
experiences, and attributes. It highlights and showcases samples of some of your best
work, along with life experiences, values, and achievements . Linked Other Project on it

LiveDemo: <https://abdulahmanahmedzaghloul.github.io/cvPortfolio/>
